

Building Maint

Town offices??

for schools

Fix the schools

A facilities manager has expertise

Middle School is in shameful condition

Schools in bad shape (Middle School & Russell st)

Excessive budgets for consultants

This must be a priority - we are not taking care of what we have.

Only the minimum cleaning is being done in many areas which can hasten the deterioration of floors, rugs and equipment.

Schools need better maintenance

Middle School

Protect our fiscal assets

Middle school if awful. Old Light & Water building needs to be cleaned up.

School maintenance is a shame.

9

Long history of poor maintenance

Could save middle school

should be better managed

All building maintenance should be in a separate facilities budget.

Except old high school

The exterior grounds at the new HighSchool are a mess.

concerned about lack of custodians in High School Library

C - overall but A- Upkeep o school buidlings - Need much improvement

If the roof leaks you can't do your work

Buildings last forever if properly maintained

Need more janitorial help at the new high school

Look good from a distance?

W/O repairs, costs more

Lots of problems, big & small

Town hall needs to be better maintained

Never put money aside to keep all buildings up to par.

Lets maintain the new school and other buildings so we don't end up needing a new one before its needed.

Maintain the buildings

Town Office cost 500K

School costs 2.5Mil

Satisfied other than Middle School

Middle School needs to be replaced.

Spend it now or spend it later,

Build the new Middle School

The schools in particular

All that \$ to renovate, etc. & then lay off janitors??

The Middle School is a disgrace.

Very poor (esp.) schools

Schools especially bad

Buildings need to be maintained

Need to replace Middle School provide better space, can we coordinate w/ another town. We need debt exclusion for HS+MS-this needs to be addressed+spearheaded by BOS+Fincom working together.

Schools and library need more

New school must have custodial help; middle school is an embarrassment
