Open house well run

Let's clear up the Chief episode-what really happened,why. Let's not let that kind of thing happen again

Board of Selectmen butt out,
excellent service

This is essential

Needs expansion for garage area

McCurdy's firing long overdue
greatfully

Most important

Have an excellent department. Hope never to need their services.

Prompt and consistent response in my neighborhood.

Excellent

Safety for employees and users.

we need our old chief back

These people do a great job

Should have firemen on duty at night - takes too long to get to a fire.

24 hour EMT coverage, not call

Excellent response time.

Must at least maintain or improve

3

Protection of life & property

We need 24/7 support, not just on-call

Ration appetite for "new" equipment

Safety for employess and users

Decide on Chief

Very helpful

Former chief was excellent

Bad leadrship

Outstanding!

Under previous chief

Wonderful when EMT's are needed!!

Great Job!

Good Job Level Fund

Should work harder to collect ambulance receipts

Service seems fine but no BOS ovesight.

Important

Aside from the Selectmen's meddling, the dept is very responsive.

after 6pm on-call f/ & we don't have chance to save any building response time is very too much slow.
