

Vehicles & Equipment

Replacements on schedule

Live with what we have

Let's not spend more \$100 thousand dollars on this.

However, it is very important to keep roads clear and safety equipment in good repair.

Pass - spent lots last years

Seems to be a priority

Don't really know

excessive equipment

well maintained

Safety of workers is essential

Unknown

Must at least maintain

but as capital akc. Only

Do not always need to purchase the best, top of the line etc.

Depending on what it is

Keep maintained

Better maint/longer life

12

Replace as necessary

Keep appetite for new equipment in bounds.

Need to replace older equipment sooner

Realizing hrs. have been cut . Do we NEED new cruisers so often??

Don't Know

We seem very well equipped

Patch and Fix a la the Middle School model- Why are we always buying new equipment every year?

I am not knowledgeable

If this is not highway or road maintenance, what is it?
