### **Get Up and Running with a Website by Wendy Gloyd**

A website is a very powerful tool. You can use a website to promote yourself, your skills and sell your freelance services. This session will explain easy and affordable ways to get yourself up and running with a website using do-it-yourself tools and hosting companies.

Questions that will be answered include:

- Where do I register a domain name?
- How do I pick a template and create my own site?
- How do I load in text and photos?
- Can I change the color scheme?
- How do I publish my site?
- How much does it cost?
