Driver's Education Instructor II

Position Purpose:

The purpose of this position is to provide instruction to students participating in a comprehensive Driver's Education Program for the Department of Parks, Recreation and Community Education for the Town of Littleton. The Driver's Education Instructor I must have the ability to work harmoniously with the Department staff, participants, and the general public. The Driver's Education Instructor I should be able to teach students, ages 15 years 9 months and older, to operate vehicles and instill respect for the State of Massachusetts' driving laws and parking regulations. In addition, he/she must be able to firmly enforce all facility regulations. This position reports to the Driver's Education Coordinator.

Supervision:

Supervision Scope: Exercises moderate initiative, creativity, and independent judgment in instructing students in the Driver's Education Program.

Supervision Received: Works under direct supervision of the Driver's Education Coordinator.

Supervision Given: Has direct supervision over students; has no supervisory responsibility over staff.

Job Environment

Work is performed in 'on-road' driving environments where errors in judgment can and will result in injury to self, others, and town property.

Interacts frequently with town residents, parents, and departmental staff members.

Duties require appropriate judgment, discretion, and professional protocols.

Essential Functions:

Coordinates and organizes course materials used in the Driver's Education Program with regard to on-road driving lessons and classroom.

Responsible for maintaining in-car instruction logs and student "blue-cards" and working with Department Staff to ensure compliance with RMV of Massachusetts regulations.

Able to conduct themselves in a professional manner at all times.

Maintains, analyzes, and submits all pertinent records with respect to daily attendance, incident reports, permission forms and staff correspondence to Parks, Recreation and Community Education assigned staff; maintains a variety of records including permission forms, parent correspondence, registration forms, as well as any other miscellaneous forms assigned to the Driver's Education program in the Parks, Recreation, and Community Education office.

All other duties as assigned by the Director of Parks, Recreation and Community Education or his/her designee.

Recommended Minimum Qualifications:

Education, Training and Experience:

Must be at least 21 years of age.

Must have at least 2 years experience teaching Driver's Education (either on-road, classroom, or a combination of both).
