Discussion with LPS staff about understanding differences and fostering inclusion in our community.

On Friday, I met with Elizabeth Steele, Director of Teaching and Learning, and Lyn Snow, Director of Student Services & Equity Coordinator at Littleton Public Schools. I want to share why I met with them and what we discussed.

Cons Com Project: Future land use of Town-owned Parcel U12-14-0 (Long Lake / Lake Shore Drive)

I spoke with the Cons Com chairs about their need to consider access and inclusion in any projects they approve for this parcel of land, and how we can and should be involved in providing feedback on their plan before implementation.

Grant-funded project to renovate Littleton Common

This is a topic I know nothing about, other than an announcement shared by Senator Eldridge on social media. I want to ensure we have a chance to provide feedback on this significant project, which

aligns with the goals we've been discussing around being in the loop on these types of projects during the design phase.

MARTS Connects expired contract/transportation options (Me & Erich)

Topic tabled from the last meeting agenda.

Proposing Town Transportation Study in 2026
