FROM LIZ'S DESK

The cold weather is here but we aren't hibernating here at the COA! We have several new programs in progress and some just starting up. Call to sign up for "Lunch and Cupcake Decorating" class this month, and come back for a massage with our massage therapist, Sarah, on the 18th. Be sure to also check out the new Mindful Meditations program for some gentle movement starting Monday December 2nd. It will be a perfect way to start your week with a Zen state of mind.

The Thanksgiving holiday gives us a perfect reminder to pause and reflect on all of the things we are grateful for in our lives. Here at the EHS/COA Dept we are incredibly thankful for our dedicated volunteers, our supportive COA Board, our generous Friends and all of the Town staff and residents that make the COA a wonderful place to be every day. We are also forever grateful for our Veterans for their service and sacrifices. We hope to see you all to honor you at our luncheon this month.

From the COA Board

Do You Know?

- That the current census of Littleton is just under 10,000 people?
- That the UMass Gerontology Institute projected "that by 2035 the number of Littleton residents age 60+ will more than double and comprise close to 40% of the Town's total population."
- According to the 2018 census, we currently have 2277 residents over 60+.
- The COA currently has 3800 square feet of space to service our current senior population, yet the Executive Office of Elder Affairs recommends we should have over 13,662 sq. feet of space at this time to meet the needs of our current senior population.
- We **MUST** consider this data when planning for a Senior Center in Littleton! How much space will we need just 15 years from now????

Driver Spotlight—Sam Palmer

Our Driver Spotlight for November is another fan favorite—Sam Palmer. Sam has been a driver with Littleton EHS for many years and is a familiar face to so many residents in town. An avid outdoorsman, Sam always has great stories to share about his boat and his numerous other activities.

Sam is well known, well liked and a tremendous driver—courteous, friendly and personable. Sam always goes the extra mile for riders of the van, willing to help out other drivers when schedules are full and all of this with a great attitude. In his spare time, Sam enjoys spending time with his family, fishing, boating and perfecting his archery skills.

Sam, we are so lucky to have you on the team and appreciate all you do for the residents of Littleton!
