Tom was born in Boston, MA on June 22, 1941, son of the late Kenneth and Marjorie (Gray) Ray. Tom grew up in Arlington, MA, and raised his family in Littleton, MA. He retired to Poland, ME and Naples, FL. Tom was a loving husband, dad, grandfather, and great grandfather. His life was a tribute to the power of love, family, and a strong work ethic.

Tom graduated from Arlington High school in 1959. With immense dedication, he received his bachelor's and master's degrees from Northeastern University. He worked for Honeywell and Beth Israel Hospital until becoming the third-generation owner of the family business, Ray Engineering Co. in 1978. He retired in 2006.
