**Littleton Trust Fund Scholarship Awards**

The Littleton Commissioners of Trust Funds announced the scholarship awards for 2020 from the F.M Kimball- Second Scholarship Fund and the John & Eunice Morrison Scholarship Fund totaling \$58,000 to 13 recipients. This year's awards included a \$10,000 scholarship to one of our outstanding recipients. Over 86 applications were submitted for these scholarships.

This was the twenty forth year for awards from the Kimball Fund that was established by H. Vincent Couper in honor of his uncle Frank M. Kimball. Mr. Kimball had established the original fund that enabled Vincent to earn a degree from the Massachusetts Agricultural College – now known as the University of Massachusetts in Amherst in the 1920's.

Mr. Couper, known as "Vince" was a very successful Littleton farmer who raised a variety of crops here in Littleton as well as in Florida. In addition to this scholarship he was very generous to the Reuben Hoar Library, the Children's Hospital in Boston, and the University of Massachusetts.

This is the seventh year of awards from the Morrison Fund. John and Eunice Morrison are probably best known as the former owners of what has become the last apple orchard in Littleton. John Morrison was a conservationist who ensured that the orchard, located at Nagog Hill and Nashoba Roads remain as agricultural land.
