Re: Site Plan and Special Permit Submittal  
VMD Industries V LLC  
Monarch Drive  
Project No. 5554

Dear Board Members:

PLACES Associates, Inc. is in receipt of peer review comments for the application for Site Plan Review and Special Permits for the construction of a 98,150 square foot industrial building on Lot 2 Monarch Drive from Green International Affiliates, Inc. dated May 25, 2022 (Peer Review). The Peer Review was issued in a Microsoft Excel spreadsheet with a column provided for the applicant's response. We have responded to the comments in the spreadsheet and are providing revised application materials and documentation to support our response.

As part of this response, we are submitting copies of following items:

1. Plans entitled "Special Permit and Site Plan Review Plan, VMD Industries V LLC, Monarch Drive in Littleton, Massachusetts." By Places Associates, Inc. last revised June 24, 2022, containing 14 sheets plus the cover sheet. The submittal includes one full size plan set and one 11x17 plan set.
2. Stormwater Analysis for Monarch Drive Littleton, Massachusetts prepared for VMD Industries V LLC revised June 24, 2022, by Places Associates, Inc. Analysis includes the Stormwater O&M Plan, Phosphorus Reduction Calculations and Soil Test Data. (one hard copy).
3. The Peer Review response and supporting documentation.
4. A complete electronic copy of all information listed above. We will also forward the electronic copy directly to Green International Affiliates, Inc.

We look forward to presenting this revised information to the Planning Board at your July 14<sup>th</sup> hearing. Please contact this office if you have any questions or need additional information.

Very truly yours,  
Places Associates, Inc.
