Received

Dear Board,

On August 12, 2020 Chief Wodzinski and I met with Shankar Gautam, CEO/Technical Manager of G7 Lab LLC in regards to his proposed Adult Marijuana testing laboratory location of 160 Ayer Rd. unit 3.

We have reviewed and approve of the following:

Storage, Security, Inventory, Inspections, Transportation, Deliveries and Disposal. All of which he has followed the guidelines of the Cannabis Control Commission.

Shankar assured us that he will keep us informed as his build out of the business gets under way and will have an onsite inspection before opening.

If you have any questions please feel free to contact myself or Chief Wodzinski.

Respectfully,
