Message:

The Healy Corner October 2019 Definitive Subdivision Plan has a discrepancy between sheets C2.1 and C3.1 on the size of Conservation Restriction Area "B". The green area of the attached sheet shows the area in question. On sheet 2.1 the green area is included in Conservation Restriction Area "B". On sheet 3.1 the green area is not included in Conservation Restriction Area "B".

The red area shows wetland. It should be noted how narrow the wetland becomes in the green area. Having the green included in the CR (as shown on sheet 2.1) would allow a trail to avoid the wider section of wetland in Open Space Parcel A.
