TEC has evaluated the intersection and I am ok with their response. I don't have the budget to compete the recommended intersection changes but I agree they could be helpful.

Chris – PB Vice Chair Anna Hueston has asked for a written response today, and/or your presence at tonight's Planning Board Public Hearing on this new memo.

Please share your thoughts on this memo on the Healy Corner development proposal. Sorry for the short notice.
Thank you!

Maren,

I've attached several documents as one item for discussion of the Dennis Circle intersection with Tahattawan Road and Harwood Ave. I'll bring paper copies tomorrow.
