Ms. Sherrill Gould, Esq., Chairperson Littleton Zoning Board of Appeals  
Ms. Diane Crory, Town Clerk  
37 Shattuck Street  
Littleton, MA 01460

Dear Ms. Gould and Ms. Crory:

Attached please find the Fifteen Great Road II, LLC Comprehensive Permit Application. We appreciate the time that various town officials and abutters have taken to comment on our plans during the period leading up to the issuance of the site approval letter. While we have inventoried the comments and concerns expressed by abutters and town officials, we have elected to keep our plans unchanged pending the ZBA hearing process. However, please know that we are prepared to work with the Zoning Board as well as concerned abutters to create a successful project which will be an asset to the town.

Sincerely,

David E. Hale  
Manager, Fifteen Great Road II, LLC
