Re: 15 Great Road, Littleton, MA

Dear Secretary Bialecki,

I am writing to you to express my complete disagreement with a finding made by the MASS Development Finance Agency in your capacity as the Board Chairman and also as the supervisor of Ms. Anne E. Howard, COO, Massachusetts Development Finance Agency. And to ask that you review the case as follows:

In a letter dated June 30, 2011, Ms. Howard granted Omni Development a Project eligibility determination for a proposed Chapter 40 B at 15 Great Road, Littleton, MA. The Project application contained numerous "inconsistencies" when compared to the public record. In her determination to render a very quick decision, Ms. Howard was either unaware of these inconsistencies, of purposefully chose to ignore them. Neither one is an acceptable condition involving such a senior state agency official.

I also attach a copy of the letter I sent to Ms. Howard and numerous other elected and appointed officials as well as to several media outlets to try and get the proper eyes on what I believe was an improper approval.

As several of my neighbors have done, I am asking you to initiate a thorough review of the process Ms. Howard used in arriving at her decision, examine the deficiencies involved in that process, and find accordingly that the proposed Project fails on the merits. One of my favorite quotes from Daniel Patrick Moynihan says *"everyone is entitled to their own opinion, but no one is entitled to their own facts"*. It is our sincere opinion that Mr. Hale and Omni have obfuscated the facts and put forth many of their opinions as facts and that MASS Dev did not challenge them even in the face of significant evidence. We are determined NOT to let this story just fade away and ask for your personal involvement to review the facts for yourself.

Thank you for your consideration,

Mark D. Skillings
