

Certificate of Vote for Kimball Farm Village on the Common, LLC

At the meeting on June 18, 2015, the Zoning Board of Appeals voted 5 to 0 to extend the Comprehensive Permit granted to Village on the Common, LLC and subsequently transferred to Kimball Farm Village on the Common, LLC for property at Great Road in Littleton, MA. Said Comprehensive Permit is dated July 26, 2006 and recorded with the Middlesex South District Registry of Deeds in Book 48030, Page 380, by 6 months. This extension will expire on January 4, 2016.

In addition, the Zoning Board of Appeals noted that it granted this Comprehensive Permit on July 26, 2006, and that it had previously granted two extensions—a three (3) year extension was voted on May 19, 2011 and a one (1) year extension was voted on May 22, 2014. To date, there has not been meaningful progress on this development, and the Zoning Board of Appeals indicated that in the absence of actual construction on site, it might reasonably deny a request for any further extension of this nine-year old permit. See 760 CMR 56.05(12)(c). Accordingly, the Zoning Board of Appeals voted its strong recommendation that the permit holder take the steps necessary to move this development forward prior to the expiration of this new extension period.
