

# Tiger Soccer Summer Clinic

**2023**

*The Clinic will be coached by the Littleton High School Girls Soccer Players*

We are pleased to continue the Tiger Soccer Clinic. The clinic is designed for the children of Littleton to learn and improve their soccer skills from our local Girls High School Players. The past few years have been a ton of fun and some lasting relationships have been formed. Consisting of two separate weeks of four half-day sessions, The Tiger Soccer Clinic will be a great place for any level soccer enthusiast who is looking to improve their skills, work hard, make new friends, and have a ton of fun! These High School Players are incredible young women and will support the kids using a progressive curriculum that has been devised to provide a week packed full of soccer specific activities aimed at basic skills such as dribbling, passing, and finishing plays. Your child will be coached in a fun, supportive, yet challenging environment. What better way to instill a passion and love for soccer than to receive instruction from experienced, talented players who have been playing the sport their entire lives?
