

Marsha L. (Barbera) Dodson, 73 and a long time Littleton resident passed away suddenly on June 8, 2020 at the Lahey Hospital in Burlington. She was the loving and devoted wife of 43 years to Billy D. Dodson.

Marsha was born in Lowell, MA, a daughter to the late Robert and Marjorie (Weston) Barbera. She graduated from Lowell High School and soon after began a career at Raytheon. It was at Raytheon where she met the love of her life and began a love story that would span over 43 years. Marsha and Billy settled in Littleton where they raised their two children. After raising her children, Marsha worked for CVS pharmacy in Littleton. Marsha enjoyed traveling and loved annual family trips to North Conway, NH. She enjoyed trips to Maine with her sister Marjorie and was an avid reader and enjoyed shopping.

Above all, family was paramount in Marsha's life. Her grandchildren were her pride and joy. She was a selfless person and would do anything for anybody. She always thought of others first and will be dearly missed.

In addition to her husband Billy, Marsha is survived by her son William Dodson and his wife Jennifer, and her grandchildren; Jacob, Joshua, and Madelyn. She is further survived by her sister, Marjorie Lampron as well as many nieces and nephews.

Marsha is sadly predeceased by her daughter, Rebekah Dodson as well as her sister, Karen Bolton.

Dodson

In lieu of flowers, memorial contributions may be made in Marsha's name to:

Dana Farber Cancer Institute

450 Brookline Ave

Boston, MA 02215
