Re: **Resource Area Delineation Plan**
95 Taylor Street

Dear Members of the Commission,

On behalf of our client, Seal Harbor, LLC, a revised Resource Area Delineation Plan has been submitted for the referenced property.

In response to the peer review conducted by Oxbow Associates, the following changes have been made:

- Riverfront flagging is now shown on the plan.
- 200' and 100' Buffer Zones are updated corresponding to the updated Riverfront location.

We thank you for your attention to this matter. If you have any questions regarding this matter, please feel free to contact our office.

Respectfully,

Stamski and McNary, Inc.
