The Applicant has filed a Definitive Plan of the proposed subdivision of land on a plan entitled: “Strawberry Farms at 95 Taylor Street”, Definitive Plan of a Subdivision in Littleton, MA. for Seal Harbor Companies, LLC,” covering land shown on Littleton Assessor’s Map U40 Parcel 8-0 and prepared by Stamski & McNary, Inc., dated February 20, 2024, and last revised June 25, 2024, (hereinafter referred to as “Plan”), which Plan is to be recorded with Middlesex South District Registry of Deeds, herewith; and the Board has approved said subdivision Plan with respect to lots 1, 2, and 3, inclusive as shown on said Plan, subject to his agreement with the Owner to be recorded with said Plan.

For Owners’ title to the property, see deeds in Middlesex South District Registry of Deeds, Book 11584, Page 164.

In consideration of the Board approving the Plan without requiring a performance bond, the Owner hereby covenants and agrees with the Board as follows:

1. The lots subject to this Covenant are three (3) buildable lots shown on the Plan.
2. No building permit shall be applied for and no building shall be built or placed on any of the lots subject to this Covenant, nor shall any of the lots subject to this Covenant be transferred or conveyed until all of the work required by the certificate of approval and the conditions of approval specified therein (Consolidated Decision dated June 18, 2024) and the Plan as approved has been completed or a release of this Covenant executed by a majority of the members of the Planning Board has been duly recorded with Middlesex South Registry of Deeds, and if the aforesaid work has not been completed, appropriate surety has been posted for the completion of said work.

Decision, and the Planning Board's regulations, such work to be completed on the dates set forth in the decision, which are as follows: All work and infrastructure associated with Strawberry Farm Road will be completed within five (5) years of the date of this Decision. Such date may be extended by the Planning Board for good cause.

4. Notwithstanding the provisions of Section 2, above, it is understood by the parties that the Owner will not install the top coat of pavement on the subdivision roads until the subdivision is substantially complete. Accordingly, the Planning Board may release lots from this Covenant prior to completion of the top coat of pavement, provided it determines that the lots remaining subject to this Covenant provide adequate security for completion of all outstanding work (including the top coat for all subdivision roads).
5. Nothing herein will be deemed to prohibit conveyance by a single deed subject to this Covenant of the entire parcel of land shown on the Subdivision Plan. This provision does not authorize the conveyance of any portion of the parcel shown on the subdivision plan, with the exception of conveying any portion of the parcel to the Littleton Water Department.
6. This covenant shall run with the land and shall be binding upon the heirs, successors, administrators and assigns of the Owner.
7. This covenant shall not affect the use of any existing dwelling and accessory structures, nor shall this Covenant affect or prohibit the conveyance or mortgaging of the entire premises. The Owner warrants and represents to said Board that it is the Owner of record of the land shown on the above-mentioned plan, that there are no mortgages of record or otherwise on any of said Land, and that the representatives of the Owner, if any, is duly authorized to execute this covenant.
8. The Owner agrees to record this Covenant with the Middlesex South District Registry of Deeds with the Plan, and reference to this covenant shall be entered upon the Plan as approved.
9. A deed of any part of the subdivision in violation of the Covenant shall be voidable by the Grantee prior to the release of the Covenant, but not later than three (3) years from the date of such deed, as provided in M.G.L. c. 1, Section 81U.
