Subject: Site Plan Amendment - 100 Taylor Street

Hi All -

The Planning Board has a new application for a Site Plan amendment for 100 Taylor Street; the proposal is for a 1,000-sf commercial addition. Application materials and a GIS locus map are on the project page at this link: <https://www.littletonma.org/1299/100-Taylor-Street>

While the lot at 100 Taylor Street has no frontage, access is from a driveway across an adjacent parcel at 104 Taylor Street.

The Planning Board will be discussing this Site Plan amendment request at the meeting of March 13, 2025. Please provide any comments or questions at your earliest convenience, and by March 5 at the latest.

Thanks in advance; any questions, please ask.
