Dear Mr. Thorne,

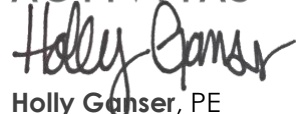

We are pleased to provide responses to the peer review comments received from the review of the Town of Littleton Tennis and Whitcomb Field Improvements project. The responses required revision to documents submitted in the original application. Revised documents are provided electronically via [this link](#) and include the following:

- Revised Stormwater Report dated 5/19/25
- Revised O&M Plan dated 5/19/25
- SWPPP dated 5/19/25 to replace the Construction Pollution Prevention Plan and Erosion & Sediment Control Plan
- Revised Permitting Drawings dated 5/19/25

Please let us know if you will require a physical copy of any of the revised documents.

Please do not hesitate to contact me if you have any questions or would like to discuss any of the enclosed responses or documentation.

Respectfully,

ACTIVITAS  

Holly Ganser, PE  
Civil Project Manager
