EDC: An agency for BOS – we do what they appoint us to do. Can get things moved through the board, work on discounts from LEWD (example), etc. Works from the inside of town government

LBA: Private Entity. Works from the outside of town government with businesses.

Business Building Coffee:

Have a forum where potential/current town businesses can meet all of the town departments at once place during one time. This is to make information, forms, etc. easily accessible, to help facilitate networking, and build a stronger business community.

Action Items:

Neil: Reach out to Marin for the following:

- Find out who manages LinkedIn
- Get list of business contacts
- Have Marin talk to different town departments about coffee. Have them bring forms, applications, FAQs etc.

All: Come up with name options for town open house meetings and marketing ideas as well
