Re: Wetland Permitting Plan
49 Matawanakee Trail

Dear Members of the Commission,

In response to comments received by the Commission at the September 23, 2019, hearing, the Wetland Permitting Plan has been revised as follows:

1. Portions of existing lawn are now proposed to be converted to native planting areas. Plants will be chosen from the attached list.
2. A level spreader detail has been added.
3. Attached is a more comprehensive waiver request letter.

We look forward to discussing this matter with the Commission at the October 7th public meeting. We thank you for your attention to this matter, should you have any questions please feel free to contact us.

Respectfully,
Stamski and McNary, Inc.

William Simmons
