Fall 2018

Winter 2019

"01460" - A LITTLE town, A TON of fun!
Hello Littleton,

We hope you’ve had an amazing summer full of great experiences and fond memories. With wonderful programs like Camp T, TRAC and events like Third Thursday and the Community Clean Up, I know our staff sure has.

As always this brochure has a mix of new and old programs and events. We hope you enjoy the selection we’ve lined up for you for this Fall and Winter.

We are excited to introduce our new online registration system, MyRec. We went live with the new site at the end of August 2018. Please be sure to log in and update your account information. MyRec is easy to use, is mobile ready to allow you to register for programs on the go and will allow us to stay in contact with you to let you know what is going on.

We are also going to solidify the planning for the Long Lake Bathhouse this Fall, Winter, and Spring. So please look out for public meetings and updates on social media. Also check out the updated information in this brochure on page 32.

Keep an eye out for our seasonal events this Fall and Winter. We will be running the Halloween Parade, a little bigger than usual, and Trunk or Treat again this October. We are also going to add a new 5K race and revive Fire and Ice this winter.

Lastly, thank you for coming out to our community events and supporting our programs this past year. We love to hear from you on what programs and events you would like to see. Please stop in the office and see us or visit our website at www.littletonrec.com to let us know what you are looking for.

Warmest Regards,

Alicia Day
aday@littletonma.org

Littleton Parks, Recreation, and Community Education

The Littleton Parks, Recreation & Community Education department provides year-round high quality indoor and outdoor recreation and enrichment activities for children and adults in Littleton and the surrounding communities. Our goal is to provide cultural, social, and athletic programs in well maintained parks and facilities.

Alicia Day – Director
Tim Michalski – Assistant Director
Rachele Carbutt – Community Education and Teen Coordinator
Jon Kazanjian – Recreation and Sports Coordinator
Katie Judge – Teen Program Leader
Megan Straface – Administrative Assistant

LittletonREC.com / LittletonREC@LittletonMA.org
Office-Phone: 978.540.2490 / Fax: 978.952.6053

Community Ed Coordinator:
Office: 978.540.2492
Cell: 978.339.9642

How to Register:

1. Online at www.LittletonRec.com
2. Call 978.540.2490 to register by phone
3. Mail the registration form:
   Littleton Parks, Recreation, and Community Education
   33 Shattuck Street, Littleton, MA 01460
   *Checks payable to “The Town of Littleton”
4. Fax the registration form and credit card information to 978.952.6053
5. Visit us in the office!

Refund Policy:

Our programming is 100% funded by course fees, our refund policies are strictly adhered to.

- In the event that your course is canceled due to low enrollment you will receive a full refund.
- Pro-rated refunds will only be given if a canceled class cannot be rescheduled.
- In the case of a medical withdrawal, a refund minus a 10% admin fee will be processed when accompanied by a doctor’s note.
- Any other withdrawal fees will be determined by the PRCE Director and accompanied by a 20% processing fee.
- Refunds will only be given via household credit, check, and credit card. Credit Card refunds will be processed within 5 to 7 business days. Refunds issued by check will be processed within 2 to 4 weeks.
- Parks, Recreation & Community Education reserves the right to change the program location and/or programming staff if needed. Refunds will not be given if this occurs.
- Littleton Parks, Recreation, and Community Education does not receive Town funding for our programs, events, and program staff. They are all paid for with the revenue that we make on programs. Your ongoing support is greatly appreciated!

DON'T DELAY

Many of our classes fill up fast, sign up NOW before it’s too late! We decide a week before the start date whether or not to run classes with low enrollment, your registration could make the difference!

Drop-In Policy:

- You must register and pay for a drop in prior to participating. (Our software is mobile ready so you can easily register from your smartphones.)
- Present your receipt, paper or email, to the instructor upon arrival to your session.
- Instructors cannot accept cash or check payment.

Cancellations:

- Parks, Recreation & Community Education reserves the right to cancel and/or combine any program with insufficient enrollment within 7 days prior to the class’s start date. All participants will be notified of changes in schedule.
- Please be sure to provide an up to date email and phone number so that we can contact you.
- When public schools are closed for either school/town events or due to inclement weather, programs will not be held on that day. Classes will be rescheduled at a later date.
- Classes will not be held on legal holidays.

Transfer Policy:

You may request to transfer into another class if:

- The request is made before the 2nd meeting of the class.
- There is space available on the roster for the class that you would like to transfer into.
- The minimum participation number is still met for the class that you are currently enrolled in.
- A $15.00 transfer fee is paid in full.
**FACILITY INFORMATION AND DIRECTIONS**

**Littleton Town Hall**

**Room 123 & 121**
33 Shattuck Street, located at across the hall from the PRCE office on the 1st floor. Parking available behind Town Hall. Spaces closest to the tennis courts allow the easiest access to 33 Shattuck court yard.

**Town Hall Multi-purpose room**
33 Shattuck Street, entrance located in the far right corner of the 33 Shattuck Court yard. Parking available behind Town Hall. Spaces closest to the tennis courts allow the easiest access.

**Room 103**
37 Shattuck Street, entrance is located on the 1st floor in the middle of Town hall (to the right of LCTV and the green dumpsters.) Parking available behind Town hall.

**Couper Room**
41 Shattuck Street, located behind the library. Take the path to rear library entrance and use the Couper door directly to the right of the library rear entrance.

**PRCE Locations in the Community:**

**Fay Park**
20 Foster Street, located next to the newly renovated Littleton Fire Station.

**300 King Park (Castle in the Trees Playground)**
300 King Street, entrance located near the corner of Roger Street and King Street.

**Long Lake Beach**
20 Town Road, access to the beach parking lot is located at the end of Town road off of Goldsmith Street. Access to the State Boat ramp is located at 11 Meadowbrook Road. Limited short-term parking is available, at the boat ramp; this parking is only available to those using the boat ramp to launch a watercraft.

**Oak Hill Conservation Area**
14 Oak Hill Road. Near Littleton Depot, 1/2 mile from the junctions of Route 2 and 495. Main parking area and entrance is off Oak Hill Road.

**George and Lucy Yapp Conservation Land**
424 Newtown Road. The land is located on the east side (left side going toward Acton) of Newtown Road, south of the intersection with Shaker Lane. Plenty of parking is available in a field, at the opening in the fence, which extends along the roadside.

**Littleton Public Schools:**

**Shaker Lane Elementary**
35 Shaker Lane, main entrance located off of the corner of Roxbury Drive and Goldsmith Street. A secondary entrance is located off of Shaker Lane.

**Russell Street Elementary**
57 Russell Street, entrance road located just south of 495 on Russell Street. Follow road around Alumni field to the entrance of the school. Limited parking is available to the right of the rotary.

**Littleton Middle School**
55 Russell Street, entrance road located just south of Highland Lane on Russell Street. Parking lot entrance and exits follow one-way traffic pattern.

**Littleton High School**
56 King Street, entrance located off of King Road between St. Anne’s church and Indian Hill Music School. Caution lights mark the entrance road. All indoor programming should follow the road up to the top parking lot and enter the main school entrance. The lower parking lot can be used for access to Tennis Courts and Baseball and Softball fields.

**Partner Locations in the Community:**

**Harmony Horse Stables**
2 Trot Road, Littleton, MA 01460
(978) 486-8360 / Bette@harmonyhorsestables.com

**Periwinkle Glass Works**
586 Massachusetts Ave, West Acton Village, MA 01720
508.341.4740 / judy@periwinkleglassworks.com

**Body Mind Soul (Ta-Dah! Studio of Dance)**
675 Great Road, Littleton, MA 01460
www.buildingbodymindsoul.com

**Eloquence Dance Center**
435 King Street, Littleton, MA 01460
www.eloquencedancecenter.com

**Kelly’s Music & More!**
410 Great Road, Suite 341, Littleton, MA 01460
**Aromatherapy Gemstone Bracelets**

**Instructor:** Beverly McCarthy  
In this class students will create TWO gemstone bracelets incorporating beautiful beads and gemstones both chosen for their warmth and healing properties. Bracelets will be strung on heavy stretch cord and proper knotting techniques will be discussed. Make one for you and give one as a gift. We will infuse some of our beads with rich, high quality aromatherapy oils that produce lasting results. These are individual and unique and you will have loads of gemstones to choose from.

Tuesday, 10/23  
6:00p–8:30p  
Ages: 18 and up  
$45/R | $55/NR  
Location: Littleton High School, Art Room

---

**Art Studio:**  
**Charcoal and Pastel Painting**

**Instructor:** Alma Bella Solis  
Using a combination of charcoal and soft pastels, you will produce your own compositions interpreting subjects ranging from still life to human figures. You will learn drawing methods including outline, contour, choosing colors and its application by shading, blending, detailing and connectedness/integration of the entire art subject. You will explore perspective, proportion, depth and dimension in arriving at a realism art.

**Intro to Cold Process Soap Making**

**Instructor:** Jennifer Hofmann  
This class will introduce you to the basics of making cold process soap. Cold process soaps are created by blending oils (or fat) with a lye mixture. In turn the soap saponifies over the next twenty-four hours turning the lye-oil mixture into a solid bar of soap!

The class will cover the following:  
- Brief history and basic chemistry of soap making  
- Necessary materials, supplies and equipment  
- Safety considerations when working with sodium hydroxide  
- Taking accurate measurements & proper mixing temperatures  
- Coloring your soap (micas, herbs, spices & clays)  
- Scenting your soap (fragrance oils verses essential oils)  
- Preparing your molds and molding options  
- Insulating, cutting, curing and storing your finished soap

Each student will make their own 1lb batch of soap that they will get to take home with them (the mold will be theirs to keep as well so they can make future batches of soap). Students will also leave with very thorough handouts and enough information to make awesome vegetable-based natural soap from scratch on their own as well as a full-sized bar of soap to enjoy. This class uses only vegetable based ingredients.

**Ages: 18 and Up**

Holiday Cupcake Creations

**Instructor: Beverly McCarthy**

What is more fun than decorating loads of decorated cupcakes? *Eating them!*

This fun class will be filled with holiday cupcake decorating ideas, designs, recipes, and flavors galore. We will be frosting, designing, and decorating a variety of pre-made cupcakes in wonderful holiday colors and flavors including peppermint, anise, almond, and traditional buttermilk vanilla. We will be using different decorating tips and trying different fun techniques. Loads of designs will be provided. Use your new skills to create loads of holiday batches. You can freeze your cupcake creations as well for the holiday guests!

---

**Intro to Bath Bombs & Bubble Bath**

**Instructor: Jennifer Hofmann**

Do you enjoy bath time and want to add a little extra pampering to your bath? This class will teach you just how to do this! Students will be lead step by step through the process of making bath bombs and bubble bath. Detailed handouts with recipes, links for supplies, step by step instructions, and troubleshooting tips will be provided. All students will make and go home with multiple bath bombs and bubble bath!

**Ages: 14 and Up**

**MyRec Code: W19AI BB2**  
Tuesday, 2/12  
6:30p–8:30p  
$50/R | $60/NR  
Location: Littleton High School, Art Room

---

**Fluid Acrylic Pour on Canvas Intro**

**Instructor: Beverly McCarthy**

This fun and trendy painting technique involves the thinning of Acrylic Paints and the addition of binders added to produce fluid colored paints. Paints are mixed and loosely poured onto the canvas which is moved and manipulated by hand. Amazing results are produced and abstract effects complete these fabulous art pieces. They can be hung on your wall with pride.

**Ages: 18 and Up**

**MyRec Code: F18AFAP2**  
Tuesday, 9/25  
6:00p–8:30p  
$50/R | $60/NR  
Location: Littleton High School, Art Room

---

**MORE Fluid Acrylic Pouring on Canvas**

**Instructor: Beverly McCarthy**

Tips will be introduced in this class. Students will learn even more pouring techniques while working on larger Canvas. Both new techniques and tips will be introduced for creating images out of our poured acrylics. Lots of colors to choose from. Beautiful effects.

**Ages: 18 and Up**

**MyRec Code: F18MFAP2**  
Tuesday, 10/9  
6:00p–8:30p  
$50/R | $60/NR  
Location: Littleton High School, Art Room
Stained Glassworks

Instructor: Judy Romatelli
Stained Glass for Adults: 5 week course designed to introduce the student to stained glass technique. We will cover safety, cutting, design, foiling and soldering (Tiffany Method). Student will create a small piece the first class and then return at class 2 with a design for a larger project. The remaining classes will be used to transform their design into a beautiful stained glass panel.

  Location: Eloquence Dance Centre, 435 King St., Littleton, MA
Preschool Drawing
With Young Rembrandts

Instructor: Young Rembrandts Staff

Drawing is a great way to learn about the world around us and what better activity for these cold winter months?! Each week we draw and color a new picture—no repeats! Our step by step teaching method maximizes that development and prepares children as learners, offering so many benefits above and beyond the drawing itself, including self-confidence, learning to follow directions, and kindergarten readiness. Our classroom is upbeat and positive, and a new lesson each week will excite your budding artist. Learning to draw basic shapes is an essential building block for every artist—come join the fun!

No prior drawing experience is necessary. We request that students are at least 3.5 years and have not yet started kindergarten. Students are continually building their skills through practice.

Ages: 3 1/2–5 / Grades: PK

MyRec Code: F18YR20A
(6) Wednesdays, 9/19–10/24

Animal Cartoon Workshop

Instructor: Young Rembrandts (Elizabeth Leitko)

Laugh out loud funny! Mind bendingly adorable! Awesome beyond belief! If your child is a fan of cuddly animals and funny cartoon, this drawing workshop is especially tailored for his or her needs. Over Five Days, students will learn how to draw animals of all shapes, sizes, and colors. Each class is on an early release day from school, and each class is independent of all the others. Students can come to all 5 classes and each time will include new drawings and a different theme or they can choose a few classes to participate in. Kids love these fun and fast paced drawings and will draw and color multiple pictures each class!

Young Rembrandts

Instructor: Elizabeth Leitko
Young Rembrandts teaches kids how to draw. Drawing encompasses so many tenets of a well-rounded education, both academic as well as giving kids an increased sense of confidence and self-esteem, and breaking projects down in to an “I can do it” mindset. Based in Chicago, 2018 marks the 30th anniversary of Young Rembrandts. Elizabeth Leitko is the Owner/Operator of Young Rembrandts of SW Boston/Central MA, which has been providing after school classes since 2012.

Grades: K–2

FAST Flag Football

Instructor: FAST Athletics Staff

F.A.S.T. Athletics will teach everyone game strategies, catching techniques and most importantly how to work together as a team. The students will be able to participate in different situational games such as Red Zone Defense, fourth and inches, and The QB Challenge as they learn the importance of fair play. Each class will end with a simulated game broken down into 4 quarters—the coaches will have tons of plays ready to go for their teams.

2:35p–3:35p
$85/R | $95/NR
Location: Russell Street Elementary, Track

Kids Cardio Kickboxing

Instructor: H2K Staff

This class will teach your child self-defense, self-confidence and discipline in a fun, safe and inclusive environment. We will learn different punches and kicks, boxing drills, bag work, non-contact sparring and work on core strength. We will end each class with healthy goals and meditation with our very own H2K Bu-Dog. Students will be picked up at Russell Street Elementary immediately at dismissal (2:30pm) and taken via Park and Recreation vehicles to Town Hall Multi-Purpose Room for this class. Pickup will be at 33 Shattuck St. Multi-Purpose Room at 3:45pm.

LEGO Animation

Instructor: Empow Studios Staff
Bring your kid’s love for LEGO to the big screen! Empow Studios expert instructors work with students to develop storytelling skills, learn animation software, and capture the action of their LEGO movies. After filming, students work on the postproduction process to add titles, transitions, sounds, and music!

2:45p–3:45p
$141/R | $151/NR
Location: Russell Street Elementary, Art Room

Metrocraft

Instructor: Matt Bowling
Create & Learn in a Virtual Minecraft World (Grades 3–6)
Students learn math, economics, civics, geometry and technology as they work together to create a city within the virtual world of Minecraft Education. While certainly a fun game, Minecraft is also a limitless platform for students to learn academic skills in a highly engaging virtual environment. In this problem-solving class, students design their own house and business within a virtual city as they learn about budgeting, profit and loss, supply and demand and consumer markets. As they serve on a city council, they study how laws are made and work together to create their own constitution of laws. Students use mathematics and geometry to construct a working urban environment. They must problem-solve as they serve on a city council that responding to natural disasters and challenging city issues. STEM learning has never been so fun!

Ages: 8–12 / Grades: 3–6
MyRec Code: F18YMC19
(6) Wednesdays, 9/26–10/31
6:00p–7:30p
$120/R | $130/NR

Minecraft: Art, Architecture and Redstone

Instructor: Empow Studios Staff
Grab a pickaxe and join your fellow Minecraftians for a class in design challenges. Empow Studios instructors teach the fundamentals of electrical engineering using Redstone, a special kind of element that mimics electricity almost perfectly. As they master their Redstone skills, we teach key concepts in programming, architecture, and pixel art, all while using teamwork and social skills. It’s the perfect blend of fun, learning, and creativity. All students must play in “Creative Mode,” and must follow our rules of respect.

Grades: 3–5
MyRec Code: F18YMAAR19
(6) Tuesdays, 9/18–10/23
4:00p–5:00p
$142/R | $152/NR

Parks and Rec Adventure

Instructor: Rachele Carbutt and Katie Judge
Each week will consist of a different excursion into nature around the Merrimack Valley. We will have enriching experiences from visiting a local farm, to canoeing local water ways, and learning about the land where we live! Both instructors grew up locally and spent their youth exploring the natural environment and want to enable others to do the same!

Location: Russell Street Elementary, Art Room

---

**Video Game Design**

**Instructor: Empow Studio Staff**

Go from gamer to designer. Kids love playing video games, but they have even more fun playing games designed by them and their friends! One of Empow Studios’ most popular classes, Video Game Design encompasses storytelling, pixel art, and object-oriented programming, all through a user-friendly, 2D game design platform. Our non-violence policy keeps the games cringe-free and shareable once the kids bring their games home for you to play!

**Grades 3–5**

**MyRec Code:** W19YVGD19

6 Tuesdays, 1/8–2/12

2:45p–3:45p

$142/R | $152/NR

Location: Russell Street Elementary, Art Room

---

**Scratch Computer Programming**

**Instructor: Empow Studio Staff**

Scratch the surface of programming with Scratch! Developed by M.I.T, the Scratch platform is one of the most engaging ways to teach kids to code. Students learn the basics of computer programming by arranging puzzle-like blocks into lines of code in a drag-&-drop graphical interface. Possible projects include video games, animations, simulators, and even role-playing games. After the class, projects are shared with family and friends, and kids can continue to work on their projects from home. Internet access desired.

**Grades 3–5**

Best Body Bootcamp

Instructor: Melissa Matheson
Best Body Bootcamp brought to you by Cassa Health, Fitness and Wellness offers a 6 week series that will help you burn fat, build muscle and give you a sense of confidence that you never knew you had. All fitness levels are welcome as the customized workouts will always provide you with modifications if you need to take it down a notch, or progressions if you can handle more. You will be in a non-intimidating environment, taking on customized workouts to match your fitness level, challenge you and provide you with results! Resistance bands, kettlebells and bodyweight exercises will be the only equipment used.

Stress Free Day—Explore the Practice of Mindfulness

Instructor: Patricia Howard
Discover the Peace Within Mindfulness is our ability to be present with what we are experiencing in the present moment in an accepting way. For many of us this aspect of ourselves lies dormant within us. In the Day of Mindfulness we will look at how stress is running our lives and affecting our physical and emotional health. You will experience various Mindful practices, we will use these as tools to help us unhook from our habitual ways of reacting and drop into a deeper place within.
From this place you can have new insights and ways of perceiving the world. You will gain the discernment of knowing your habitual reactions and develop the capacity to sit with them rather than acting them out. You will then have be ability to address whatever is happening externally – parenting, relationships, challenges with work, finance etc. from a new vantage point. This will free up your energy to develop new solutions to the challenges that you face and more creative outlets for your true expression. Your Life becomes an adventure.

Ages: 13 and up

FitPlay

Instructor: Melissa Matheson
The program is designed for preschool/pre-K aged children (2-6 years old) to help them stay active, and create a love for fitness and good health from a young age. It is not sport-specific, rather it is a combination of many sport-like skills and functional movements in a fun non-competitive atmosphere, as well as basic nutritional education. Through games, songs, and basic exercises, kids will learn the importance of staying active and how much fun it can be, as well as basic nutrition principals.

Life in the Barn

Instructor: Harmony Horse Stables
Meet the horses where they live, learn their different characteristics, and get a close look at their everyday lives. Children will learn that having a relationship with a horse means being responsible and committed and requires caring for their daily needs. The benefits of involving children in the world of horses, no matter what the age, go beyond entertainment and recreational value.

Students will have an opportunity to ride daily. Children should wear clothing suited to working in a barn outdoors. Long pants and sturdy shoes or boots. No sneakers or sandals please.

Reverse Mortgage—No Longer a Loan of Last Resort

Instructor: Jared Hoole

Due to some recent legislative changes to protect the consumer, a reverse mortgage is no longer a loan of last resort. In fact, many advisors are now incorporating the use of home equity in a retirement-income plan because of the flexibility and protection it affords their clients. In this workshop we will address some of the misunderstandings that have wrongfully given reverse mortgages a bad reputation. You’ll learn why ignoring your home equity could be a costly mistake and identify potential scenarios where a reverse mortgage could improve your retirement outcome!

Essex Valley Steam Train & Connecticut Riverboat

8:30 AM Depart from the Littleton Recreation, 33 Shattuck Street this morning on a tour that features fine cuisine, an authentic Steam Engine Train ride, a Riverboat Cruise, and, of course, the delightful company of your fellow travelers on your luxury Silver Fox CD/DVD/WiFi Motor Coach.

You’ll first enjoy a delicious luncheon at the Go Fish Restaurant where you may choose from entrées of Fresh Baked Scrod or Stuffed Chicken Breast, served with salad, potato, dessert and coffee - delicious! Then you’ll arrive in the Town of Essex, Connecticut, for your scenic Steam Train ride. Enjoy the scenery of the Connecticut River Valley, where you’ll meet your Riverboat crew and vessel. You’ll now cruise the Connecticut River on a relaxing, one hour narrated ride. Upon docking you’ll meet your Steam Engine again and be transported back to Essex to board your motor coach. Expected arrival home will be at 6:00 PM this evening after a great day on the rail, river and road!

Non-Refundable, tours and inclusions are subject to change.

New York City Christmas Shopping and Sightseeing

6:00 AM Depart from the Littleton Recreation, 33 Shattuck Street, on your luxury Silver Fox Motor Coach. A coffee/breakfast stop will be made as you travel to New York this morning. For your convenience a map of NYC illustrating points of interest will be provided for all. On arrival in New York, stops will be made at both Rockefeller Center and Macy’s. The Rockefeller Christmas Tree will be aglow and on display for your viewing pleasure. Then you’re on your own to enjoy the “Big Apple”. Feel free to visit one of Broadway’s exciting shows, attend one of New York’s world famous museums, or enjoy shopping and sightseeing on Fifth Ave.

You’ll depart for home at 6:00PM and your expected arrival home will be 11:00 PM after a delightful day in New York City!

Non-Refundable, tours and inclusions are subject to change.

Become a PRCE Sponsor!

The Littleton Parks, Recreation, and Community Education Department utilizes sponsorships and partnerships in order to provide additional support for classes, programs, special events, sport leagues, and park improvements. Financial and in kind services benefit Parks and Recreation, the local tax payer and increases the quality and number of amenities, events and programs available to the public.

Littleton Parks, Recreation, and Community Education Department partners with local individuals and businesses to bring fabulous complimentary special events for the community to enjoy. Events such as the Daddy Daughter Dance, Touch-A-Truck, Family Campout, 5K, Holiday Helpers, and MUCH, more! Businesses participating with Park & Recreation receive exposure and name recognition during programs and events and through publicity materials.

YOU benefit too! We help sponsors reach their target market and provide an outstanding value for the dollars invested. Sponsoring partnerships with the Littleton Parks, Recreation, and Community Education Department also provide a terrific public relations opportunity. Association with our well received, family orientated activities, parks, and sports leagues gives businesses an edge in reaching the community.

Please take a moment to request a sponsorship program packet. We hope that you find our sponsorship program to be a great way for your company and/or family to support the Parks & Recreation Department which continues to help make the Town of Littleton a great place to live, work, and play!

LITTLETON
Parks, Recreation, & Community Education
Are excited to announce that Driver’s Education is BACK!

Committed to the safety of our students

At Christo Driving School, Inc., we have been focused on developing safe, responsible drivers for over 65 years. Our outstanding success record has made us the educator of choice in the metro-west area. Through our unmatched curriculum of classroom lectures and on-road training, we ensure our students possess the proper skills and abilities to make safe driving decisions and to continue to practice responsible driving habits throughout their driving careers.

Our instructors constantly challenge our students throughout their training with distractions, defensive situations, and common-sense conditioning, and they do so in a fun, encouraging environment that students enjoy and respond well to. We care about the way our students drive, and we're sure the drivers we put on the road are the safest, most reliable drivers they can be.

Simplifying the process

We realize the demands driving school puts on the already hectic schedules of students and parents, so we make every effort to accommodate our customers through flexible class schedules as well as offering group driving lessons and private lessons in our fleet of current model pre-approved vehicles.

Requirements

Our foremost interest is driver safety. Driving the right way will save you thousands of dollars in insurance and will help you to avoid dangerous accidents and costly citations. A Driver’s License is a privilege that must be earned and it can be taken away if used recklessly.

All certified driving schools in Massachusetts must follow the approved curriculum:

- 12 hours of behind-the-wheel driving
- 6 hours of observation (in the driving school vehicle with another student driving)
- 30 hours of classroom instruction
- 40 hours of driving under parental supervision. (Graduates of our "Christo's Kids" Skid School program require only 30 hours of driving under parental supervision instead of 40.)

Long Lake Beach Bath House Project Update

In 2017 The Parks, Recreation, and Community Education Department was given $30,000 from the Community Preservation Committee (CPC), for the purpose of designing a new bathhouse at Long Lake Beach. The current building is approximately 65 years old and no longer accommodates the needs or provides the services required by community.

The goal of the new bath house is to create one building to house our seasonal recreation office, staff break room, first aid office, storage and snack shack while updating the restrooms, showers and changing areas. There is a growing need to add a community room for programs, Camp T, TRAC, Sailing, and a space to seek shelter during inclement weather events. The current building only services the town for three months. Our hope is that the new building will have three or four season usability.

Since our initial conversations, our research and meetings have yielded many questions. The most impactful were the topics of town wide space needs and the tight tank vs. septic at Long Lake Beach. Both of these topics required further discussion and answers to decide if a one or two story structure is the best solution.

Concept artwork and site plan ONLY!

We have spent the past year collecting information and will soon be ready to restart the design process in hopes of a Summer 2020 completion! Do you have suggestions, ideas, or comments? YOUR OPINIONS MATTER TO US! Please email, call, or stop by the office. Please follow us on social media and check our website. We will be posting public meeting notices in the near future with the hopes of finalizing design for the Spring 2019 Town Meeting.

**Refund Policy:** (Because our programming is 100% funded by course fees, our refund policies are strictly adhered to.)

- In the event that your course is cancelled due to low enrollment you will receive a full refund.
- Pro-rated refunds will only be given if a cancelled class cannot be rescheduled.
- In the case of a medical withdrawal, a refund minus a 10% administration fee will be processed when accompanied by a doctor’s note.
- Any other withdrawal fees will be determined by the PRCE Director and accompanied by a 20% processing fee.
- Refunds will only be given via household credit, check, and credit card. Credit Card refunds will be processed within 5 to 7 business days. Refunds issues by check will be processed within 2 to 4 weeks.
- PRCE reserves the right to change the program location and/or programming staff if needed. Refunds will not be given if this occurs.

**Cancellations:**

- PRCE reserves the right to cancel and/or combine any program with insufficient enrollment within 7 days prior to the class’s start date. All participants will be notified of changes in schedule.
  - Be sure to provide a current email and phone number.
- When public schools are closed for either school/Town events or due to inclement weather, programs will not be held on that day. Classes will be rescheduled at a later date.
- Classes will not be on legal holidays.

**Transfer Policy:** You may request to transfer into another class if:

- The request is made before the 2nd meeting of the class.
- There is space available on the roster for the class that you would like to transfer into.
- The minimum participation number is still met for the class you are currently enrolled in.
- A $15.00 transfer fee is paid in full.
