Afterschool Program for

6th, 7th & 8th Graders

OPERATING HOURS
1:45PM - 6PM
10:45AM- 6PM on Half Days
**R.I.S.E.**

**Overview**

**Mission Statement:**

Our goal at RISE is to create a space where pre-teens and teens will experience a variety of structured and unstructured activities. With events that appeal to a wide range of personalities, this program fosters an inclusive atmosphere with something for everyone. Activities will range from movies, video game tournaments, nature hikes, arts and crafts, and half day field trips. We encourage teens to reach outside their comfort zone and take risks by providing a supportive, youthful environment led by confident and responsible role models. RISE promotes respect, teamwork, and personal growth through interactive and enriching opportunities.

This program is designed with 6th-8th graders in mind and is a great way for your child to experience more social time with their friends and peers after the last bell rings, while still enjoying a sense of structure.

Activities will include a variety of different sports, board games, and a block of “down time” where a staff member can help kids with homework, projects, or reading if needed. Homework time will run from 1:45—2:45pm (10:45am-11:30am on half days) and kids can be assisted by RISE staff or stay after school for teacher help. Most half days will have a field trip or an outdoor activity planned. RISE has some snacks available for purchase, but it is best if all children plan on bringing a snack and lunch on half days, unless otherwise instructed.

How the kids get from the Middle School to Littleton Town Hall

We must require all kids to have a walker permission form

The Teen Program Leader will be in the Middle School Lobby at 1:45pm (10:45am on half days) to gather kids and take attendance. They will then accompany them over to Town Hall via the paved pathway directly behind the school or they will be driven in the Park and Rec van.

At 2:45pm for the second pickup, Park and Rec staff will be at the Middle School to gather kids who attended clubs or teacher help. If staff is not informed of any students staying after for clubs/afterschool help, then there will not be a second pickup. This will allows us to preserve department resources and maximize the number of staff supervising the children. If your child is a drop in and does not have the walker permission filled out, please contact us before your child’s first RISE day and we will ensure that they are on the roster and accounted for at pick up.

If a child misses a scheduled pickup, or gets out of a club or teacher help at a time other than a scheduled pickup, they can walk to Town Hall on their own. All participants must have a RISE walker permission form filled out by parent/guardian in order to walk to RISE unsupervised from the school.

If a participant will be walking to Town Hall by themselves after an activity, they should inform the RISE staff of what time they will be arriving.

Guardians can check out their child(ren) anytime from 1:45pm-6:00pm each day. Parents/guardians should enter the Town Hall and go into room 123 check out their child(ren) or call the RISE phone and a staff member will walk them out. Keep in mind they might be down on the field or the tennis courts—the RISE phone is always on an employee, and they will answer. If you have trouble finding the RISE room please call the phone at 978-884-1728.

Health and Safety Reminders:
If your child arrives at RISE and we do not have their medical forms, we will not turn them away, but parents will be contacted to request forms. New drop ins will be sent home with a packet of required forms as well. We will require they have forms on file before they are permitted to attend RISE again. Once we have those forms they can drop in any day of the week!

Attendance/Illness
If your child(ren) are absent from school we ask that you call the R.I.S.E. phone at (978) 884-1728 or email Katie Judge at kjudge@littletonma.org to inform us.

Please do not send your child to the program if they are contagious or experiencing any of the following: nausea, lice, Strep throat, pink eye. Children who have been removed from the program due to illness must remain home and (incident free) for 24-hours before being able to return to this program.

Early Release/School Cancellations Due to Weather

If Littleton Public Schools release early due to weather concerns RISE will still run but will end early. Exact end time TBD by Town Administrator and at discretion of PRCE staff. Parents/Guardians will be notified of amended RISE end time on these days. If your child(ren) is unable to be picked up at new end time, PRCE Director Alicia Day will take over supervision at Town Hall in order for staff to drive home safely.

Behavior
Participants must be mature enough to be responsible for their own behavior and follow the rules of the facilities we attend. Your child’s behavior is a reflection of themselves, as well as the program and the Town of Littleton. We stress that this program is a privilege to attend, and not a right. Participants will be allowed to sign out and walk to the Reuben Hoar Library unsupervised to check out books and movies. Participants must show that they are responsible and can be in control of their behavior.

Participants are supervised at all times during program hours. The only exception being when they check out to the library or walk to the program from school outside scheduled pickups. The Teen Program Leader is on site at all times and is accompanied by a program Aide. In the event the Teen Program Leader is out or needed on another program, more Aides will be scheduled to cover supervision.

Teens should be able to be semi-independent for this program; those who cannot abide by the program guidelines, or who create an atmosphere which is dangerous or distracting to other participants may be removed and asked not to return. We have a zero tolerance policy for disciplinary issues while involved in this program and must take behavior of our participants quite seriously. Bullying and any type of verbal or non-verbal violence is strictly prohibited.

Smoking, alcoholic beverages and illegal drugs are strictly prohibited. No faux or replica weapons, water pistols or other violent paraphernalia is permitted at the program. The use of profane or vulgar language is not allowed. Disrespect and bullying towards staff and other participants will not be accepted.

All parent/guardians will sign a discipline policy at time of registration saying that they, and their child(ren), agree to abide by program rules. We ask that parents and participants remember that this program takes place on town property so the expectations and rules of the town apply. Littleton Parks and Recreation reserves the right to terminate enrollment of children from participating in RISE if we deem them unfit to handle the policies of RISE. No refunds will be given if we need to terminate a child from RISE.
Cell Phone Use

Participants are allowed to bring cell phones with them, although, they must follow cell phone policies at each facility, as well as the department’s policies. Participants are not allowed to take pictures during the program for the safety of the programs participants.

Each day will begin with an hour of cell phone free time for homework, extra help etc. This hour will begin at dismissal (1:45pm) and last until 2:45pm. During this time participants will only be allowed to use computers/cell phones for homework purposes.

Use of a smart-phone for video games, movies, etc. is monitored. We cannot allow movies with a rating over PG-13 or video games with a ESRB rating over T (Teen) in order to maintain an atmosphere appropriate for all. At RISE we encourage participants to stay off their phones and take part in other games and activities that are offered.

Participants are not allowed to text or make calls during program hours unless it is to a parent or guardian with staff permission. If a parent/guardian needs to get in contact with their child, please call the R.I.S.E. Phone Number at 978-884-1728.

Personal Belongings

Please leave all valuables at home, we cannot stress this enough! Participants should not bring IPads, music players, gaming systems, or anything else valuable with them. If a participant does decide to bring such items, the PRCE department will not be responsible for any lost, stolen, or damaged belongings.

Clothing

Keep in mind that we try to keep the kids active, if possible please have your child wear comfortable clothing suitable for outdoor activities. We will inform parents when clothing such as snow pants or winter jackets are recommended (sledding, hiking). If a child does not bring appropriate clothing for the weather, then they will not be permitted to participate in the scheduled activity or half day trip.

Community Service Opportunities

Littleton Middle School requires students to complete a certain number of community service hours each year. We agree that community service is an enriching and rewarding experience for teens. We aim to create opportunities for the participants to complete their community service hours within the RISE program. This would allow participants to complete and possibly exceed their required number of hours. If a participant has already completed their hours

COPPA (Children’s Online Privacy Protection Act)
Congress enacted the Children’s Online Privacy Protection Act, 15 U.S.C. §6501, et seq. (COPPA) in 1998. COPPA required the Federal Trade Commission to issue and enforce regulations concerning children’s online privacy. The Commission’s original COPPA Rule became effective on April 21, 2000. The Commission issued an amended Rule on December 19, 2012 that became effective on July 1, 2013. Littleton PRCE works diligently to comply with COPPA requirements. Littleton PRCE does not collect personal information or transmit such information directly to online entities for the purpose of creating web-based accounts.

CIPA (Children’s Internet Protection Act)
The Littleton Parks, Recreation, and Community Education Department uses software designed to block access to certain sites and filter content as required by the Children’s Internet Protection Act, 47 U.S.C. §254 (CIPA). Littleton PRCE is aware that not all inappropriate information can be filtered, and the department will make an effort to correct any known gaps in the filtering of information without unduly inhibiting the educational use of age appropriate content by Staff and Students. Users will inform staff of any inadvertent access to inappropriate material, in order that there is appropriate modification of the filtering profile. Littleton PRCE reviews appropriate online behavior, including not interacting with other individuals on social networking web sites as well as cyberbullying awareness and response.
